## MS/PhD Scholarship Opportunities for OIC Member Countries at COMSATS University Islamabad, Pakistan

COMSATS University Islamabad is a federally chartered public sector university which was established in 1996 as COMSATS Institute of Information Technology.

COMSATS University Islamabad (CUI) has been providing the highest quality of education and conducting a variety of highly advanced research activities since the last many years. Its goal is to integrate international education into the University's academic programs, helping both domestic and foreign students to enhance their cross-cultural understanding, leadership expertise, and linguistic competencies to cope with the grand challenges of global world.

CUI prides itself in creating an internationalized experience on campus to promote global values and general knowledge. For this purpose, we have foreign scholars, lecture series by visiting international scholars, as well as regular visits by members of the diplomatic corps and our international partners. In addition, different (CUI) campuses are the chosen hosts for several annual international events that welcome over 1,500 international visitors each year.

CUI has country scholarships for Masters and PhD program for students from OIC member countries. Details are as under:
