1. Introduction

Sustainable Development Goal 17 (SDG 17) emphasizes the importance of strengthening global partnerships and cooperation to achieve sustainable development. It encourages collaboration between governments, universities, research institutions, the private sector, and civil society.

As a higher education and research institution, Kasdi Merbah University of Ouargla recognizes the importance of partnerships in promoting knowledge exchange, scientific cooperation, innovation, and sustainable development.

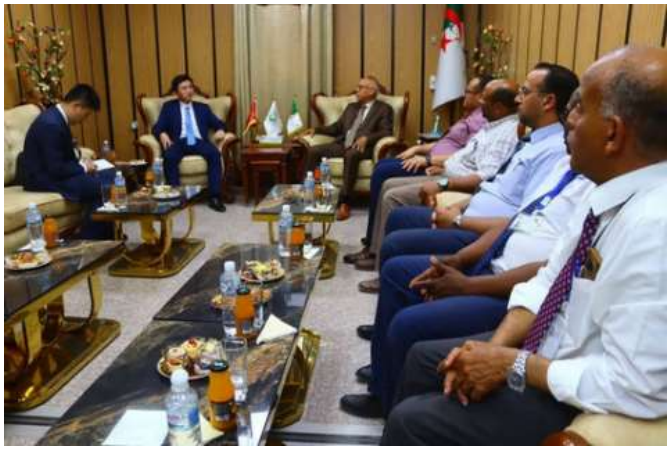

2- University Contributions and Initiatives

The university contributes to SDG 17 by developing and strengthening partnerships at local, national, and international levels.
These contributions may include:

- Signing cooperation and partnership agreements with national and international universities.
- Establishing joint research projects with academic and scientific institutions.
- Participating in international research networks and academic programmes.
- Organizing international conferences, seminars, and scientific events.
- Promoting student and staff mobility and academic exchange programmes.
- Developing partnerships with public institutions, private companies, and civil society organizations.
- Encouraging interdisciplinary research and knowledge transfer.
- Participating in collaborative projects addressing sustainable development challenges.

3. Activities and Achievements

During the reporting period, Kasdi Merbah University of Ouargla strengthened its contribution to SDG 17 through various cooperation initiatives and partnership activities involving its faculties, research laboratories, departments, and administrative structures. The documented activities include:

Kasdi Merbah University of Ouargla

SDG 17: PARTNERSHIPS FOR THE GOALS

4. Impact and Outcomes

These initiatives contribute to:

- Strengthening academic and scientific cooperation.
- Facilitating knowledge and technology transfer.
- Expanding research opportunities at national and international levels.
- Promoting innovation and interdisciplinary collaboration.
- Strengthening the university's engagement with its socioeconomic environment.
- Supporting collective efforts towards achieving the Sustainable Development Goals.

5. Conclusion

Through its national and international cooperation initiatives, Kasdi Merbah University of Ouargla contributes to SDG 17 by strengthening partnerships, promoting scientific collaboration, and facilitating knowledge exchange. These efforts reinforce the university's role as an active partner in achieving the Sustainable Development Goals.
