SDG 4: Quality Education

Ensure inclusive and equitable quality education for all, provide equal learning opportunities, and combat illiteracy and school dropout rates.

As part of the ongoing efforts of the Faculty of Arts and Languages at Kasdi Merbah University of Ouargla to promote digitalization and develop distance-learning mechanisms, the Faculty's Local Committee for Distance Learning organized its first training session for students of the French Language Department, focusing on the Moodle platform.

Together Towards a Modern Digital University Education

Faculty of Arts and Languages – Kasdi Merbah University of Ouargla

Local Committee for Distance Learning

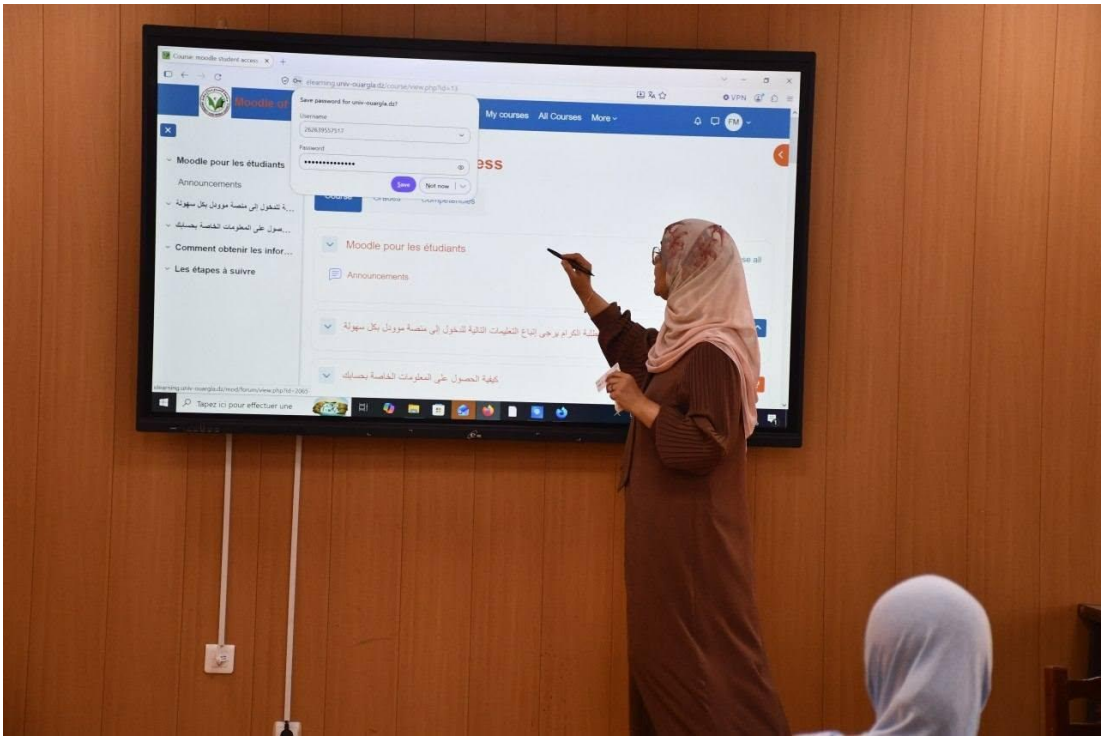

1. BASMA Platform for Pedagogical Management: Designed to improve and monitor various pedagogical processes, enhance management efficiency, and improve overall performance quality.

2. Student Affairs Platform: Aimed at facilitating student-oriented services, bringing university administration closer to students, and simplifying the various administrative procedures related to their academic journey.

3. Digital Supervision Platform: Dedicated to organizing and monitoring academic supervision activities, strengthening communication and follow-up, and improving the effectiveness of pedagogical supervision.
