SDG03

Good Health and Well-being

Ensuring healthy lives and promoting well-being for all, improving healthcare services, preventing diseases, and providing treatment and medical care.

1. Promotion of Sports Activities and Student Participation

As part of its efforts to promote sports activities and encourage students to engage in physical exercise, Martyr Khalfaoui El Hadj University Residence – Ouargla, through its Department of Cultural, Scientific and Sports Activities, announces the opening of a new Boxing Section.

The initiative is organized in coordination with coach Mohamed Said Babai, President of the Touggourt Provincial Boxing League.

Training Schedule: Days: Sunday and Wednesday. Time: 4:00 PM.

Resident students interested in joining are invited to contact the Sports Activities Office at the university residence.

2. Open Days for University Sports Activities

The Sports Activities Department of the university residence organized an Open Day for Sports Activities.

The event was held under the supervision of the Residence Director, Mrs. Naguiba Fatima Medkour, with the objective of presenting the various sports activities available at the residence and encouraging students to participate. The event was attended by Mr. Benabbas El Hachemi, President of a sports association at the University of Ouargla and a member of the Provincial University Sports League.

His participation aimed to explain the provisions of the University Student-Athlete decision, clarify the procedures for joining and participating in sports activities, and identify talented students with the ambition of achieving outstanding results in local, national and international competitions.

These initiatives demonstrate the university residence's commitment to promoting physical activity, supporting student-athletes, encouraging healthy lifestyles and contributing to the achievement of Sustainable Development Goal 3: Good Health an d
